

## OUR VISION:

### Auburn Adventist Academy -

A place to reason together, grow in Christ together and become thinkers and not mere reflectors of others thoughts.

### EDUCATIONAL PHILOSOPHY:

Auburn Adventist Academy, while promoting higher achievement in the academic disciplines, seeks to transmit a unique body of beliefs, all imbued with Christian principles, including those special to the Seventh-day Adventist Church. Thus AAA endeavors to equip students with the spiritual, physical, mental, and social skills required of responsible, productive citizens of the world and faith - based community.

### COLLEGE CHOICES:

Auburn Adventist Academy graduates have attended colleges and universities over a wide geographical area in both the public and private sectors. Colleges and universities that have accepted AAA graduates are Walla Walla University, University of Washington, Southern Adventist University, Embry-Riddle Aeronautical University, Pacific Union College, La Sierra University, Southwestern Adventist University, and Canadian Union College. Students have attended additional public universities, colleges, and community colleges around Washington and the world.
